EARNING YOUR AA DEGREE

GATEWAY COLLEGIATE ACADEMY

AA degrees can be issued to students who choose to remain at FGCU for at least the fall semester following high school graduation. All students that complete the General Education Program will have the "General Education Met" stamp applied to their official FGCU transcript at the end of 12th grade.

AA Degree Requirements

- 60 earned credits
- Complete the General Education Program (36 credits and all categories fulfilled)
- Complete the College Level Writing Skills requirement (12 credits total)
- Complete the Intercultural Knowledge requirement (6 credits total)
- Satisfy both the Civic Literacy and the Foreign Language requirements

College Expectations

- Any letter grade below a "C" will not count as credit toward satisfaction of the requirements. However, all grades will be calculated in the student's GPA and will appear on their college transcript.
- Collegiate Academy students must maintain a minimum 3.0 unweighted high school GPA and a cumulative FGCU GPA of 2.5. A student who does not achieve minimum academic progress will be placed on Academic Warning/Probation. If the minimum GPA is not met the subsequent semester after probation, the student will be ineligible to continue dual enrollment.
- A Collegiate Academy student shall adhere to the rules, guidelines and expectations stated in the FGCU Student Code of Conduct.
- A student may lose the opportunity to participate in the Collegiate Academy program if the student violates the FGCU Student Code of Conduct.
- While appropriate for college-level material, course materials and class discussions may reflect topics not typically included in secondary courses. Courses will not be modified to accommodate variation in student age and/or maturity.

A SOARING PARTNERSHIP BETWEEN

AND

WHAT IS THE COLLEGIATE ACADEMY?

The Collegiate Academy offers dual enrollment, an accelerated mechanism through which an eligible high school student may enroll on a full-time basis in FGCU courses. Collegiate Academy students earn credit toward both their high school diploma and an Associate of Arts degree.

Coursework may be taught by FGCU faculty or qualified Gateway High School teachers, and may be offered at the high school or on the FGCU campus during the spring and fall semesters.

Upon successful completion of the program, with proper application, students will be accepted into the University and be afforded an opportunity to apply for an FGCU scholarship. Free tuition and books are included.

Students who complete requirements of the Associate of Arts degree at the time of high school graduation through the Collegiate Academy, and who subsequently enroll at FGCU following high school graduation, will be awarded an Associate of Arts degree by the university.

Eligibility Requirements

When applying for the Collegiate Academy, prior to the beginning of the 11th grade year, students must have:

1. Successfully completed four semesters of high school-level Collegiate Academy course requirements in 9th and 10th grade
2. Maintained a minimum grade point average of 3.7 weighted or 3.0 unweighted by the end of 10th grade
3. Not yet completed sufficient units to qualify for high school graduation and must apply all credits earned to meeting high school graduation requirements and FGCU criteria
4. Received eligibility approval from the high school principal, or designee
5. Achieved minimum scores* on the ACT or SAT by May 1 of their 10th grade year

*Test Score Requirements

ACT

- Composite Score: 22 or above
- English Score: 20 or above
- Reading Score: 20 or above
- Math Score: 20 or above

SAT

- Total Score: 1120 or above
- Evidence-Based Reading and Writing: 500 or above
- Math Score: 500 or above
- Math Test: 24 or above
- Writing & Language Test: 25 or above
- Reading Test: 24 or above
