

VOLUME 3, ISSUE 9

Principal's Message

Greetings Families,

Our Scholars have worked very hard this year, but it's not over yet. The final weeks of the school year are critical. At Gateway High School, teaching and learning occurs every day until June 6th. It is important every scholar attends school each day and puts forth their best effort. Whenever I have the opportunity, I remind scholars that every day and every class matters. We will also enforce all school rules and policies until June 6th. Please help us in our efforts to have scholars take full advantage of putting forth their best now and during the final days of the school year.

We are entering State Testing season. We are confident that scholars are ready and prepared. The test dates are below. It is important that scholars are present and on time.

Test	Date
Algebra & Geometry EOC	May 16th
Biology & US History EOC	May 18th
FAST ELA PM3	May 23rd

Please join us in showing appreciation for our heroes, our teacher! Next week is Teacher Appreciation Week, May 8th – 12th. Please contribute in any way you deem appropriate: an email, a gift card or a simple 'Thank You!' will go a long way. The nation has lost a massive number of teachers, let's show our appreciation for the ones who are still here!

I appreciate all of your support this school year. I wish you and your scholar an amazing finish to the 2022-2023 school year.

Sincerely,
Neketa Watson, Super Proud Principal

Join us for our final SAC meeting of 2022-2023 school year!
May 9 at 6:00 PM in the Collaboration Room

We want your ideas and suggestions for next year's SAC meetings. Please complete our **short** survey [HERE](#).

What is AVID?

AVID is a yearlong daily academic elective class, preparing students for college and beyond. The class focuses on study skills, organization, time management techniques, and college readiness work that will help students navigate high school successfully.

Benefits of the AVID Class

- In-class academic tutoring
 - Study skills and academic goal-setting
 - Guest speakers
- Opportunities to earn volunteer hours
Peer-to-peer collaboration

Join Us!

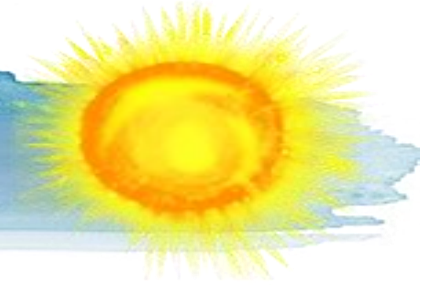

How to apply:

Complete the application at the below link or it can be found on the GHS website under Academics and AVID.

[AVID Application 23-24](#)

If you have additional questions please feel free to e-mail Debbie Prashad the AVID Site Coordinator at debraw@leeschools.net

SUMMER OF LEARNING

Summer is a great time for your scholar to obtain a part-time job, participate in an internship, prepare essays for the college application process, complete an online course, or get caught up on their credits. Below are some helpful links to get them started.

Get caught up on credits in Summer School

- June 13 – July 20 8:00-12:00 M-TH via Zoom
- To register join Google Classroom qiwdz5g

Complete your Online Course graduation requirement

- Free online courses are available via FLVS. These courses meet online graduation requirements, are flexible, and interesting. Visit flvs.net and enroll in the Flex Program.

Part-time Employment and Volunteering:

- See GHS College, Scholarships, and Careers Google Classroom for part-time employment opportunities. The Google Classroom code is: 5lpn7sg
- Scholars interested in applying for Bright Futures must have at least 100 volunteer or work hours

Prepare for the College Application Process:

- Visit GHS College, Scholarships, and Careers Google Classroom for a "college prep to do list" for current Juniors. Examples of tasks on the list are: placing tax documents in a safe location in preparation for FAFSA competition in October, drafting college essays, and attending live/virtual college tours.
- Use the free resources of My Career Shines for college exploration and planning. <https://mycareershines.kuder.com/landing-page>
- Research and tour colleges
- Create a FASFA account at www.fastweb.com
