VOLUME 4, Quarter 1

GATEWAY HIGH NEWS

Principal's Message

Greeting Gateway Family,

Welcome to the 2023-2024 School Year. We are excited for this year. Our theme is ***Building a Legacy of Excellence: History in the Making!*** This is our 4th year as a school and I believe it will be a historical year. We have some amazing scholars, dedicated teachers, and phenomenal staff and we are looking forward to a fantastic year. I want to start this year by emphasizing the importance of daily attendance to school. Regular school attendance is essential for student success. A missed school day is a lost opportunity for students to learn and scholars can quickly fall behind with frequent absences. Please help your scholar by encouraging regular daily attendance. We are recognizing scholars monthly with perfect attendance.

Our commitment to academic excellence and providing a safe environment remains unwavering. We are dedicated to providing our scholars with, not only a high-quality education but also, the tools they need to become responsible, compassionate, and engaged members of our global community. This year, we will continue to focus on collaborative teaching and learning, promoting creativity and critical thinking, and fostering a love of lifelong learning. We will encourage our scholars to explore their passions, take risks, and embrace challenges as opportunities for growth. Our goal is for our scholars to leave Gateway High College, Career & Life Ready!

Join us for our monthly SAC meetings and getting involved to help us *Build a Legacy of Excellence*, as you are an important part of our *History in the Making*. I truly thank you for all you do to support you scholar and Gateway High School. This will be a fantastic year!

Sincerely,

Neketa Watson, Proud Principal

Yearbooks

Purchase your 2023-24 Gateway High School yearbook today! This year's book is sure to be magical!!

[Click here](#) ----->

or purchase during lunch for \$65 until Sept. 30. The price will increase to \$75 from Oct. 1 - Dec. 31, so don't delay. Cash only.

Uploading an Excuse Note in Focus Parent Portal
Excuse notes must be turned in within 1 week of the first day back from absence

NEW Focus Attendance feature in the Parent Portal
 Parents can now upload attendance notes directly into Focus! This new process allows us to update student excused absences

- Click on the student's name (left hand side)
- Click on Absences
- Hover over the No Files area next to the day you are uploading the note for Select either Scan, Upload, or Take Picture

The screenshot shows the Focus Parent Portal interface. On the left, a navigation menu includes 'Portal', 'School Info', 'My Profile', 'Preferences', 'Calendar', 'Forms', and 'Choice Application 2023'. The main area displays 'Absences' for a student, showing a table with columns for 'Date', 'Daily', 'Excused', and 'Note Status'. The table lists dates from Jun 9, 2023, to May 4, 2023, with 'Absence Unexcused' and 'No Files' status. A dropdown menu for 'Absences' is shown at the top right, with 'Absences' highlighted. Three callout boxes provide instructions: 'If you have a scanner attached and want to scan the note, use this option', 'Use this option to upload a document from your phone/computer', and 'Use this option to take a picture with your phone/computer of a note'.

Attendance is important and matters for all our scholars at Gateway High School. Please be sure that, as a parent, you have created and logged in to your FOCUS Parent Portal. The FOCUS Parent Portal will allow you to monitor your child's attendance and upload excuse notes directly to FOCUS. You can find direct links to set up your FOCUS Parent Portal here: https://www.leeschools.net/our_schools/focus.

The School Board considers the following factors to be reasonable excuses for time missed at school:

- Personal illness of the student (medical evidence required for absences exceeding five (5) days).
- Court appearance of the student.
- Medical appointment of the student (Doctor note required).
- Approved school activity.
- Death in the immediate family.
- Other absences with prior approval of the principal or designee.

Absences not included in excused absences listed above shall be unexcused.

Make-Up Work for Absences

Excused Absences: Make-up work for credit and grade is allowed for all **excused** absences. Immediately upon return to school, the student will be given the number of days absent plus one additional day to make up all work missed.

All meetings begin at 6:00 PM

THE SAT VS THE ACT

KEY Differences

- Fewer Geometry Questions
- More Time per Question
- No-calculator Math Section
- Lots of Geometry
- Faster Paced
- Tough Science Section

TIMING & SCORING

Section	Time	Points
Reading	65m	200 - 800 points
Writing	35m	200 - 800 points
Math (No Calculator)	25m	200 - 800 points
Math (Calculator)	55m	200 - 800 points
Total Points		400 - 1600

Section	Time	Points
Reading	35m	1 - 36
English	45m	1 - 36
Math	60m	1 - 36
Science	35m	1 - 36
Total Points		1 - 36

Time per Question

Section	Time per Question
Reading	75s
Writing	48s
Math	83s
Reading	53s
English	36s
Math	60s

Graduation Requirements

Standard Diploma Requirements

Academic Advisement - What Students and Parents Need to Know

What are the diploma options?

Students must successfully complete one of the following diploma options:

- 24-credit standard diploma
- 18-credit Academically Challenging Curriculum to Enhance Learning (ACCEL)
- Career and Technical Education (CTE) Pathway
- Advanced International Certificate of Education (AICE) curriculum
- International Baccalaureate (IB) Diploma curriculum

What are the state assessment requirements?

Students must pass the following statewide assessments:

- Grade 10 English Language Arts (ELA) or a concordant score
- Algebra 1 end of course (EOC) or a comparative score

Refer to [Graduation Requirements for Florida's Statewide Assessments](#) for concordant and comparative scores.

Students enrolled in the following courses must participate in the corresponding EOC assessment, which constitutes 30 percent of the final course grade*:

- Algebra 1
- Geometry
- Biology 1
- U.S. History

*Special note: Thirty percent not applicable if not enrolled in the course but passed the EOC (credit acceleration program [CAP]).

What is the difference between the 18-credit ACCEL option and the 24-credit option?

- 3 elective credits instead of 8
- Physical Education is not required

What is the difference between the CTE Pathway option and the 24-credit option?

- At least 18 credits are required
- 4 elective credits instead of 8
 - 2 credits in CTE courses, must result in completion and industry certification
 - 2 credits in work-based learning programs or up to 2 elective credits including financial literacy
- Physical Education is not required
- Fine and Performing Arts, Speech and Debate, or Practical Arts is not required

24 Credit Standard Diploma

4 Credits ELA

- ELA 1, 2, 3, 4
- ELA honors, Advanced Placement (AP), AICE, IB and dual enrollment courses may satisfy this requirement

4 Credits Mathematics*

- One of which must be Algebra 1 and one of which must be Geometry
- Industry Certifications that lead to college credit may substitute for up to two mathematics credits (except for Algebra 1 and Geometry)
- An identified computer science** credit may substitute for up to one mathematics credit (except for Algebra 1 and Geometry)

3 Credits Science

- One of which must be Biology 1, two of which must be equally rigorous science courses
- Two of the three required course credits must have a laboratory component
- Industry Certifications that lead to college credit may substitute for up to one science credit (except for Biology 1)
- An identified computer science** credit may substitute for up to one science credit (except for Biology 1)

3 Credits Social Studies

- 1 credit in World History
- 1 credit in U.S. History
- 0.5 credit in U.S. Government
- 0.5 credit in Economics

1 Credit Fine and Performing Arts, Speech and Debate, or Practical Arts*

- To include the integration of health

8 Elective Credits

Students must earn a 2.0 grade point average (GPA) on a 4.0 scale for all cohort years and pass statewide, standardized assessments unless a waiver of assessment results is granted by the IEP team for students with disabilities.

* Eligible courses are specified in the [Florida Course Code Directory](#).

**A computer science credit may not be used to substitute for both a mathematics and science credit.

Scholar Diploma Designation

In addition to the requirements of section (s.) [1003.4282](#), Florida Statutes (F.S.), a student must satisfy the following requirements (per s. [1003.4285](#), F.S.):

- Earn 1 credit in Algebra 2 or an equally rigorous course
- Pass the Geometry EOC
- Earn 1 credit in Statistics or an equally rigorous mathematics course
- Pass the Biology 1 EOC*
- Earn 1 credit in Chemistry or Physics
- Earn 1 credit in a course equally rigorous to Chemistry or Physics
- Pass the U.S. History EOC*
- Earn 2 credits in the same World Language
- Earn at least 1 credit in an AP, IB, AICE or a dual enrollment course

*A student is exempt from the Biology 1 or U.S. History EOC assessment if the student is enrolled in an AP, IB or AICE Biology 1 or U.S. History course; takes the respective AP, IB or AICE assessment; and earns the minimum score to earn college credit.

Merit Diploma Designation

- Meet the standard high school diploma requirements
- Attain one or more [industry certifications](#) from the list established (per s. [1003.492](#), F.S.)

What are the additional graduation options for students with disabilities?

Two additional options are available only to students with disabilities. Both allow students to substitute a CTE course with related content for one credit in ELA 4, mathematics, science and social studies (excluding Algebra 1, Geometry, Biology 1 and U.S. History). The two options are as follows:

- Students with significant cognitive disabilities may earn credits via access courses and be assessed via an alternate assessment.
- Students who choose the academic and employment option must earn at least 0.5 credit via paid employment.

What is the CAP?

The CAP allows a student to earn high school credit if the student passes an AP examination, a College Level Examination Program (CLEP) or a statewide course assessment without enrollment in the course. The courses include:

- Algebra 1
- Geometry
- Biology 1
- U.S. History

State University System (SUS)

Admission into Florida's public universities is competitive. Prospective students should complete a rigorous course of study in high school and apply to more than one university to increase their chance for acceptance. To qualify to enter one of Florida's public universities, a first-time-in-college student must meet the following minimum requirements (credit earned by industry certification does not count for SUS admission):

- High school graduation with a standard diploma, a minimum of a 2.5 GPA, and admission test scores meeting minimum college-ready test scores per Board of Governors (BOG) Regulation 6.008
- 16 credits of approved college preparatory academic courses per BOG Regulation 6.002
- 4 English (3 with substantial writing)
- 4 Mathematics (Algebra 1 level and above)
- 3 Natural Science (2 with substantial lab)
- 3 Social Science
- 2 World Language (sequential, in the same language or other equivalents)
- 2 approved electives

[State University System of Florida](#)

The Florida College System

The 28 colleges of the Florida College System serve nearly 800,000 students. Colleges offer affordable and stackable workforce credentials including certificate programs, associate in science degrees and associate in arts degrees, which transfer to a bachelor's degree program. Many colleges also offer workforce bachelor's degree programs in areas of high demand. All Florida College System institutions have open-door admissions for students who earned a standard high school diploma or an equivalent diploma or successfully earned college credit.

[Florida College System](#)

Career and Technical Colleges and Centers

Florida also offers students 49 accredited career and technical colleges or centers throughout the state, which provide the education and certification necessary to work in a particular career or technical field. Programs are flexible for students and provide industry-specific education and training for a wide variety of occupations.

[Career and Technical Education Directors](#)

Where is information on financial aid located?

The Florida Department of Education's Office of Student Financial Assistance administers a variety of postsecondary educational state-funded grants and scholarships.

Advance Program Information Night

Join your GHS Collegiate Academy Administrator and FGCU Representative and your GHS Cambridge Coordinator for an night filled with essential information to help your Eagle scholar soar in the 2023-2024 school year, as well as prepare them to apply to the Collegiate Academy in partnership with Florida Gulf Coast University.

Tuesday August 29th at 6:00 PM

Black Box Theatre

During this information session we will discuss:

- AICE Diploma Information
- AICE Tutoring Opportunities
- 2023 Fall AICE Testing Retakes
- 2024 AICE Testing Dates
- Collegiate Academy in partnership with FGCU Application Requirements
- Bright Futures Requirements

Cambridge Test Retakes

Students who choose to retake their Cambridge Exam **must** complete the Google Form in the Cambridge Google Classroom to sign up for retakes.

Students who sign up to retake **must** attend Cambridge Study Tables

High School Senior Year

Timeline

September

- Get psyched for senior year!
- Meet with counselor – double check graduation requirements, discuss other post-high school options, make preliminary college list.
- Create calendar of admission and financial aid deadlines.
- Plan final campus visits
- Register for Oct., Nov. or Dec. test dates if retaking SAT or ACT.
- Request teacher recommendations.
- Draft Common Application essay.

October

- Work hard in your classes.
- Attend admission rep visits at the high school.
- Complete financial aid forms (FAFSA, CSS Profile).
- Polish Common App essay; begin supplemental essays (if required).
- Finalize list of schools to apply to.
- Complete Early Decision and/or Early Action application(s) if applying early.
- Keep up with and enjoy extracurricular activities.

November

- Prepare to submit regular decision applications in advance of deadlines.
- Schedule virtual or in-person interviews if available.
- Clean up social media accounts.
- Research and apply for scholarships.
- Take care of your health.
- Have a happy Thanksgiving with your family!
