VOLUME 4, Quarter 2

GATEWAY HIGH NEWS

Principal's Message

Greetings Gateway Family,

I hope you and your family are well. We made it to 2nd quarter! Second quarter is a critical time, as the rigor increases in all classes. Now is the time for scholars to review and adjust their routines and study habits. We have provided all Gateway Scholars the opportunity to review their data and performance from 1st quarter and develop goals for the 2nd quarter. This information is in their binder. I encourage you to review and discuss your scholar's 1st quarter performance and any adjustments needed for 2nd quarter. Also included are the graduation requirements for the state of Florida. Please review this information and help to keep your scholar on track for graduation.

Daily attendance to school is important to keep up and maintain good grades, as GPA's are built in class. After 2nd quarter, GPA's will be recalculated. For our 9th grade scholars, most will have their 1st ever high school GPA. I charge each of you to review and refine routines in place at home and in school to guide you and your scholar as they strive for excellence. Excellence does not happen by chance. Our goal is for our scholars to leave Gateway High School College, Career, & Life Ready!

Please join us for our monthly SAC meetings, get involved and *Help us Build a Legacy of Excellence*, as you are an important part of our *History in the Making*. Again, I thank you for all you do to support you scholar and Gateway High School. It's 2nd Quarter Eagles, let's go!

Sincerely,

Neketa Watson, Proud Principal

Lee County School District Attendance Policy

Make-Up Work for Absences

Excused Absences: Make-up work for credit and grade is allowed for all **excused** absences. Immediately upon return to school, the student will be given the number of days absent plus one additional day to make up all work missed.
 Unexcused Absences: Students will not be eligible to make-up work for an unexcused absence.

NEW Focus Attendance feature in Focus Parent Portal

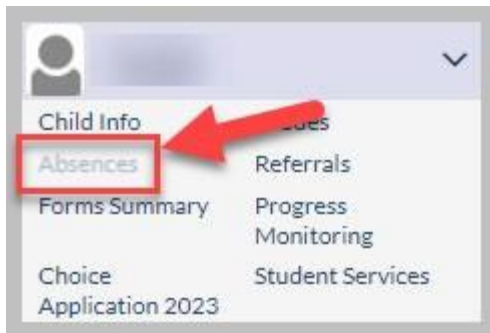

FOCUS Parent Portal will allow you to monitor your child's attendance and upload excuse notes directly to FOCUS. **This is the preferred and fastest method to submit attendance notes.** Paper notes can take up to two weeks to be scanned and entered into Focus.

TEACHERS OUT OF FIELD

Florida State Statute 1012.42 recognizes that teachers at times must be assigned duties in a class outside the field in which the teacher is certified. The following teachers are certified, but may be assigned one or more classes outside their areas of certification and are required to take appropriate steps to comply with the statutory regulation:

Rachel Ferrera, Kelly Howiszak, John Kuhn, Brittany Laccetti, Greg Martinez, Sonya Paige-Hall, Faith Parker, Jillian Reyes, William Richardson, Stevie Sheppard, Ebony Williams, Ashley Zimmerman

Scholars interested in applying for FGCU next year need to schedule and take their SAT/ACT. **There are only two more opportunities available before the FGCU application open in April.**

Launch of the 2024–25 FAFSA® Form

There are major changes and improvements coming to the 2024–25 *Free Application for Federal Student Aid* (FAFSA®) form.

As a result, the new form will be available in December 2023, not Oct. 1

The launch date will apply only for the 2024–25 FAFSA form.
The changes to the FAFSA form for the 2024–25 aid year include

- expanded eligibility for federal student aid and
- a more streamlined application process.

COLLEGE ADMISSIONS

Has your child completed college applications or plan to? Many Florida Universities have deadlines quickly approaching. Check the website for each university you are interested in to be sure you meet the deadlines. Below are some common terms used when discussing college applications.

- **Early Decisions**-Early decision is a binding commitment, meaning those who apply in this round must attend the selected college if they are accepted. You can only apply to one school early decision because of that binding commitment.
- **Early action** – which has either a November or December deadline – is similar to early decision without the binding agreement.
- **Rolling admission** means colleges review applications as they're sent in; there is no hard deadline by which you need to submit your application.
- **Regular Decision** means you are not applying in the early round, and you will receive your admission decision in the spring – usually around late-March into early-April.

Advantages to applying early action include: You can apply for non-binding early action at multiple schools (as long as their stated policies allow it). You'll find out if you got accepted sooner than those who apply in the regular decision round.

Seniors!

If you plan to apply to a university, please check your application deadlines. Some have a November 1st deadline. The best way to apply to multiple universities at once is to go through Common App at <https://www.commonapp.org/>. If your college requires a counselor recommendation, please fill out the “brag sheet” in the Senior Google Classroom so we get to know you better. Please give us a one to two-week notice.

Advance Program Interest Information Night

Join your GHS Collegiate Academy Administrator and FGCU Representative and your GHS Cambridge Coordinator for an information night to learn about our two Advance Programs: Cambridge and Collegiate Academy.

Thursday December 5th at 6:00 PM
Black Box Theatre

During this information session we will discuss:

- The Advance Program Application Process for existing and incoming GHS Students
- FGCU Application Process and Hear from FGCU Representative
- AICE Diploma Pathway and Diploma Requirements

READING AND STUDENT SUCCESS

AICE courses and final exams require students to read, comprehend, think critically, and express themselves in written form. AICE scholars should read **at least an hour a day or one book per week** for success. This can include school work but should be in addition to anything they do during the school day. English Language scholars should be encouraged to read independently and include informational texts in addition to leisure reading. Reading an hour daily will increase reading comprehension, brain connectivity, vocabulary, and critical thinking skills. Students have access to a complete library on their Chromebooks using OverDrive.

ATTENDANCE AND STUDENT SUCCESS

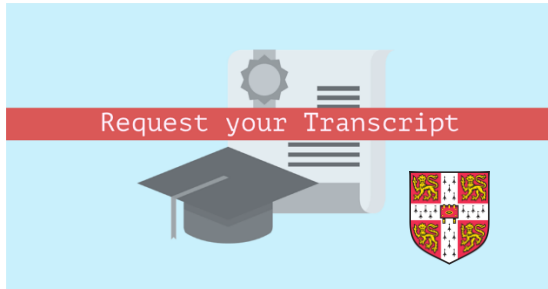

Attendance is vital to student success as well. Our data shows that students who miss 20 classes a year are significantly less likely to pass the exams in the spring. That's 20 hours of instruction they are missing out on. Twenty absent days of school equates to a month out of school. Not only is it difficult to make up the missed instructional time, but students become stressed about completing their current assignments and the work they miss. Students who miss classwork with an unexcused absence may not be allowed to make up their missed work, impacting their grades significantly—attendance matters!

STUDY TABLES

Study tables will be moved from Tuesday to Thursday starting November 2nd. We will have study tables every Thursday except when faculty meet on the 2nd Thursday of the month. Students need to sign up for study tables by Tuesday of the week they plan to come— giving teachers time to plan and gather materials for those attending. Upon dismissal, students will report to the cafeteria, where a teacher will get them and bring them to the designated work room. Scholars need to have transportation home at 3:30.

REGISTRATION FOR SPRING EXAMS

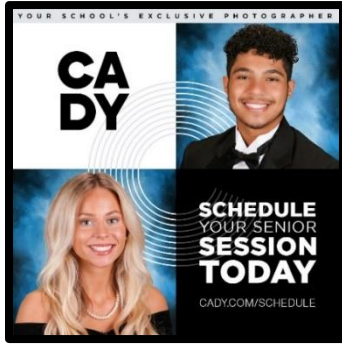

Registration for spring testing will happen before Christmas break. Students currently enrolled in an AICE course will automatically be registered for the spring exam for that course. Any retakes will require students to complete the online registration form. Students should watch for that announcement after Thanksgiving in the Google Classroom.

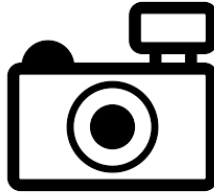

Students who need transcripts for Universities or scholarship applications need to request them directly from Cambridge. The link can be found on our school website under the Cambridge tab. There you will find a link and our center number. Students will need to know their 4-digit Cambridge ID to log in. Starting October 27th, there will be a \$17 charge for each transcript payable through the website. Students will be able to track when their transcripts were received by the college.
